1 Company on behalf of Commonwealth Edison Company.

2 MS. SARA: For the Illinois Commerce  
3 Commission, Nicole T. Sara and John L. Sagone. Also  
4 present in the hearing room today are Bonnie Pearce  
5 and Steve Knepler of the Financial Analysis Division.

6 JUDGE JONES: Thank you. Are there any other  
7 appearances?

8 (No response.)

9 Let the record show there are not.

10 I believe the most recent filing that  
11 was made at least for e-Docket purposes was Staff  
12 testimony. Are the parties ready to proceed with  
13 proposing some agreed scheduling at this time or do  
14 you want to talk about that among yourselves off the  
15 record?

16 MR. RATNASWAMY: We are ready, Your Honor.

17 JUDGE JONES: All right. Thank you. You want  
18 to go ahead and indicate what you believe that to be?  
19 Also, could you identify yourself for our court  
20 reporter if you are on the phone? Thank you.

21 MR. RATNASWAMY: Thank you, Your Honor. This  
22 is John Ratnaswamy.

1                   The Company doesn't really need very  
2   long for rebuttal, so we were only asking until March  
3   23, six days from today, to file rebuttal. And then  
4   because of the nature of the Staff direct, which the  
5   gist of which was to ask for certain information and  
6   documentation, we may or may not need any -- the  
7   Staff may or may not need to file any rebuttal,  
8   depending on what they see in our rebuttal. So the  
9   thought was, if we file ComEd's rebuttal by the 23rd,  
10  that we would have another status approximately two  
11  weeks after that.

12               JUDGE JONES: Thank you. So that will be  
13  something in the week beginning on April 4 or  
14  thereabouts?

15               MS. SARA: Your Honor, Staff would like to  
16  suggest either April 5 or 6. We know there is a  
17  bench session on the 6th, so if the 5th is better,  
18  that would be fine.

19               JUDGE JONES: We hereby go off the record to  
20  look at scheduling.

21                               (Whereupon there was then had an  
22                               off-the-record discussion.)

1           JUDGE JONES: Back on the record. There was a  
2 short off-the-record discussion regarding the  
3 scheduling of the next status and other scheduling  
4 considerations. I believe the parties are agreeable  
5 to a status hearing on April 6 at 9:30 a.m. at which  
6 participation by telephone will be permitted.

7                       There was also some brief discussion  
8 about what would be made the purpose or nature of  
9 some upcoming filings. In that vein there was also  
10 some discussion about potentially getting some  
11 additional information into the record. I won't go  
12 into any real detail on that. One item relates to  
13 the breakdown by customer class language in the  
14 Commission's Initiating Order, and the other item  
15 relates to the amount of admin or admin and  
16 operational costs in the filing. In any event, the  
17 parties may or may not discuss that among themselves  
18 prior to the next status hearing, perhaps prior to  
19 some upcoming filings that will be up to the parties.  
20 Those items may be revisited at the next status  
21 hearing.

22                       Do the parties have anything else with

1     respect to any of the above?

2             MS. SARA:   Nothing from Staff.

3             MR. RATNASWAMY:   Nothing from Commonwealth  
4     Edison Company.

5             JUDGE JONES:   Okay, thank you.   I believe that  
6     should take care of it for today's purposes.   Do the  
7     parties have any other matters to bring up today  
8     before we continue this to the above-referenced  
9     status hearing on April 6?

10                             (No response.)

11                    All right.   Let the record show they  
12     do not.   At this time then let the record show that  
13     today's hearing is over.   Our thanks to counsel for  
14     ComEd for circulating the call-in number.   In  
15     accordance with the above, this matter is continued  
16     at this time to a status hearing date on April 6 at  
17     9:30 a.m.

18                             (Whereupon the hearing in this  
19                             matter was continued until April  
20                             6, 2011, at 9:30 a.m. in  
21                             Springfield, Illinois.)
